IMPACT
THE WORLD

Dear Partner,

Asheville and the surrounding area is a beautiful region. It was once a place where people would come to hear God from all over the world. Things have certainly changed. Over the years this beautiful place has taken a dark turn in many ways. Crime, homelessness, and drugs, just to name a few issues, have sky-rocketed in a way we have never seen. We believe that Jesus is the answer for our region.

Immersion Weekend is a conference for local leaders and individuals to Encounter Jesus, Get Equipped & Impact the World.

This conference is carefully crafted. We take our constituents on a journey of health and freedom as we address these issues; Spiritual Alignment, Mental and Emotional Resilience, Relationships, Identity, and Purpose. We have invited speakers to deep dive on these subjects to encourage and challenge the current Christian in their walk with Jesus, their purpose, and their calling.

Why are we doing this? We love this region and we understand that the only way to see things pivot in a positive direction is to impact the person. That person can in turn impact their family, community, their workplace and every area of influence.

Hurting people, hurt people. Broken people break others. But healed people, free people - they bring healing and freedom to others.

Partner with us as we put a stake in the ground. Bring the Asheville area back to its place of freedom, healing and power in Christ.

"They will rebuild the ancient ruins and restore the places long devastated; they will renew the ruined cities that have been devastated for generations"

Isaiah 61:4
